

Dear

My name is _____. I am a student at St. Francis School in Ellsworth, WI.

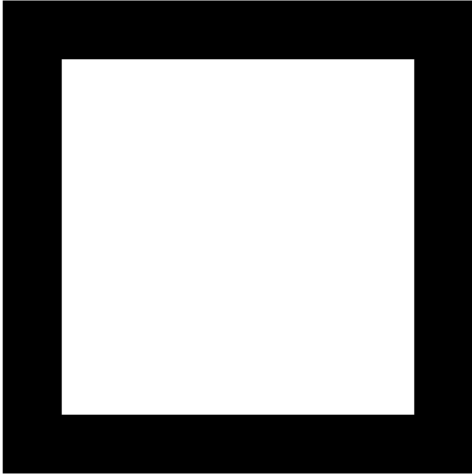

My class is creating a History of St. Francis Memory book for our annual Gala Fundraiser, to be held April 18, 2020. We are hoping to have former students from every decade in St. Francis' history, add to this memory book. When complete, we will offer this book for auction to help defray educational costs for the students of St. Francis School.

We hope you will help us by completing the enclosed questionnaire, and returning it to St. Francis in the enclosed, preaddressed, envelope by _____.

We hope that you will join the fun and attend our Gala on April 18, 2020, at The Ridgetop. Watch for your invitation after the New Year.

Thank you for your help!

Sincerely,

A picture of you...then or now!

Your name (please include your name then and now):
