

Before and After School Care

Dear St. Francis Families,

This year we have made some changes to our Eagles Nest Program. We want to inform all families of these changes as school begins, whether you currently utilize this service or for future reference.

Eagles Nest Hours

Morning: 7am-7:45am

Afternoon: 3:25pm-5:30pm

Eagles Nest NEW location: Parish Hall: Your child will enter through the Parish Hall doors. (door 2). Eagles Nest is now located in the Parish Hall.

Eagles Nest: Before School Care: Please ring the "Eagles Nest" doorbell. A staff member will meet you at the door and allow your child inside.

Eagles Nest: After School Care: Students who will be attending after school care will be dismissed to Eagles Nest after busing is complete. Students will receive a snack and have the freedom to choose their activity for that day. When weather permits we will be outside, on either the front or back playground. If we are on the back playground, a notice will be given on the Parish Hall doors. When you arrive to pick up your child, you will ring the "Eagles Nest" doorbell and a staff member will meet you there.

New Policies for Eagles Nest due to Covid 19: Because parents are currently not able to be inside the building, you will be asked to wait outside while your child gets ready to leave. Staff members will be documenting the time your child arrives or departs from Eagles Nest. This time will be noted when they enter or exit the building.

Eagles Nest Snack: Afternoon snacks are provided for your child for .50/snack. This will be charged on your child's Eagles Nest Statement.

Eagles Nest Statements will be sent monthly in your child's white envelope. A \$25.00 deposit is required with your registration. This will be credited to your child's Eagles Nest account.

If your child's before or after school care needs change during the school day, please email eaglesnest@stfrancisellsworth.org or call the school at 715-273-4391.
