Thank you for your interest in sending your child to St. Francis Preschool.

St. Francis School is a Catholic elementary school open to all faiths. We offer a hands-on, creative learning environment for our students to thrive as individuals. At St. Francis, we are concerned with the well-being of the whole child. We offer a Christian setting and a high quality educational experience that allow children to grow and develop spiritually, physically, socially, emotionally, and intellectually.

Our focus in preschool is to provide a welcoming, caring, and inclusive learning environment where children can learn on their own level. We believe that children learn through play and exploration and all have their own unique pace. We strive to give each child a strong foundation to reach their own learning goals.
