

## ST. FRANCIS SCHOOL TUITION PLANS 2020-2021 SCHOOL TERM

Our cost per student each year is approximately \$7,700. Income from tuition and from Home & School Association fundraising contributes approximately \$2,000 per student. This left a balance of \$5,700 per student for our parish to pay. The following tuition rates are possible only through the generosity of the members of St. Francis Parish.

If you consider yourself to be a member of St. Francis Parish in order to qualify for the reduced tuition rate, you are claiming that your family attends Mass, and makes a financial contribution on a weekly basis to help support the needs of our parish and school.

Tuition Assistance is available. We are committed to making Catholic education available and affordable to all interested families. To confidentially explore your options, please mark the tuition assistance box on the back.
