

## ST. FRANCIS SCHOOL TUITION PLANS

### 2022-2023 SCHOOL TERM

The cost to educate a student each year is approximately \$10,000. Financial support from St. Francis Catholic Parish, income from tuition, and fundraising by the Home and School Association contribute approximately \$2000 per student. This makes it possible for families to have access to a quality academic and faith-based educational experience.

**Tuition Assistance is available.** We are committed to making Catholic education available and affordable to all interested families. To confidentially explore your options, please contact Mary Cormican, Principal, or Father Olson.

Please review the option for tuition plans below. Tuition may be paid according to one of the three payment options listed. You are asked to indicate on the back of this form the payment plan that works best for you. (Note: Plan 3 will require an ACH from a checking account due on the 15th of the month). When you have made your selection, please indicate this on the back of this form.
